Combining beauty and practicality, the **Endgame Study** is one of the unique and subtle wonders of the Royal Game. **ChessCafe.com** is pleased to present, on a weekly basis, a selected endgame study for your enjoyment.

Unless specifically designated otherwise, it is always White to move. Unlike problems, studies usually do not require a solution in a pre-determined number of moves. Simply look for the best moves and replies to work out the win or draw. And don't be discouraged if at first you don't succeed – working out the solution will be satisfying – even instructive!

The current study is presented immediately following. Items in our [Archives](#), including this week's selection, are available for you to download.

<i>Endgame Study #672</i>	
The solution may be found further down the page.
